

Deep Learning for Physical Sciences

Workshop at the 31st Conference on Neural Information Processing Systems (NIPS)

December 8, 2017

Organizers

Atılım Güneş Baydin

Prabhat

Kyle Cranmer

Frank Wood

Michela Paganini

Daniela Huppenkothen

Savannah Thais

Ruth Angus

University of Oxford

NERSC, Berkeley Lab

New York University

University of Oxford

Yale University

New York University

Yale University

Columbia University

(In order of joining)

Submissions

Received 65 paper submissions

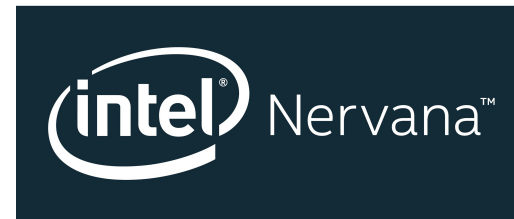

Accepted 31 papers (6 as contributed talks)

31 reviewers

from University of Oxford, Lawrence Berkeley Lab, New York University, Harvard University, Yale University, Columbia University, École Normale Supérieure Paris, MIT, UC Irvine

Most papers received at least two reviews

Sponsors

Schedule

Morning session chair:

Michela Paganini

Afternoon session chair:

Savannah Thais

Panel discussion moderator:

Kyle Cranmer
